Your St. Peter household recycling collection

This leaflet explains how to use the St. Peter household recycling collection. A collection planner is included so you know when your recycling will be collected.

Every home in St. Peter receives a recycling collection, in addition to the existing rubbish and glass collections.

Please fill the recycling boxes with your:

- Mixed paper and card: blue box/bin with blue sticker
- Plastic bottles: red box/bin with red sticker
- Metal packaging: black box/bin with black sticker

Around a third of Jersey's waste is currently recycled, together we can improve on this. Everything we collect for recycling is recycled and the parish of St. Peter is making it even easier for you to reduce your waste and recycle more.

Together we can recycle more in St. Peter

Your recycling collection planner

Your recycling will be collected on the same day as your existing rubbish collection. It will be collected later by a different vehicle as your recycling will go to a different place for processing before it is exported for recycling. A different box/bin will be collected for recycling each week. Use the planner below to know which box/bin to put out for collection.
